Kia Ora Everyone:

We have had a great week and our seniors enjoying their first session at Manukorihi making delicious burgers and catching up with the other seniors from our cluster. We also started our Te Reo/Literacy/Art rotations and are preparing to welcome PioPio College onto our Marae on the 26th February. As Tangata whenua we feel privileged to have been asked to welcome these guest and see our role as very important. Our gardens are also looking great and over the next few weeks we are going to be inundated with tomatoes so we will be looking for some yummy ways to use them and are sure there will be plenty to spare. Thanks to everyone who has been helping prepare for our Bike Ride and if anyone else would like to help please let us now. "Together We Can Do It"

Happy Birthday to Emily-Rose who turned 6 this week.

Beach Education Day 13th Feb

We are holding the our biannual Tainui Beach Education Day next week and this will be kicking off at about 9.30 rain, hail or sun shine. We will be sending more information as soon as it has arrived. We are looking for volunteers to help in and around the water so please let us know if you can help. We also ask that students each bring a plate to share for morning tea. Home and School will be also running a yummy sausage sizzle. Permission slips will be coming home on Monday.

Mighty Mokau Bike

Our Mighty Mokau Bike Ride is drawing near on the weekend of the 20th February with it being on Sunday 22nd. A lot of prep work goes into this day so please put that weekend aside to help in any way possible from Friday - Sunday. There will be signs to be washed, new ones to make (if you have fancy tidy writing we would love to know!!). We need marshals and sweepers (both are either stationed at a point or riding between points assisting troubled riders). It's a fun day with loads of great team work. "Together We Can Do It!"

Please call Wends on 7529015 for any more information or if you can help.
