MOKAU SCHOOL

"Together We Can Do It!"

WEEK3 TERM1, 13th February 2015

Phone: 06 7529733 *Fax: 06 7529112 *email: admin@mokau.school.nz * web: www.mokau.school.nz

Kia Ora Everyone:

We have been busy bees this week and I have been so impressed with how our swimmers are progressing in the pool. Our Beach Education Day is sure to have been a great experience and we thank Surf Life Saving NZ, our Cluster Schools and volunteers for joining us here in Mokau. I know that with our Bike Ride next weekend there have already been so many people busily working behind the scenes in the lead up and now it is the final push I would like to thank everyone who already has committed their time to help. Our Bike Ride is our major fundraiser for the year and every student will benefit greatly from the proceeds so if you haven't already put your hand up or been asked and you can help in anyway please let us know.

Also I would like to remind parents that our teachers are always available to discuss our students learning so please do not hesitate to get in touch should you have any queries or require any assistance with helping to support their learning at home.

Ben Single
Principal

Awards

Duffy: Rico for sharing his great reading skills with others and helping with peer reading.

Best Foot Forward: Emmet for challenging himself in the pool and succeeding in learning some great new skills and building his confidence.

Brain of the Week: Reece for sharing lots of great ideas about time in maths and helping us to look at our timetable and organisation of our days.

Happy Birthdays: We wish Olli and Billy happy birthday for next Tuesday 17th.

New Staff Member: We are pleased to announce that Tash King has been appointed as our new Teacher Aide to support one of our students with Type 1 Diabetes this year. She will also be assisting with our Junior Room programme and we are excited about working with her again.

Mathletics and Reading

Eggs/Eggspress:

Thanks to Home & School we are happy to announce that we are able to provide these wonderful online educational resources for our students again this year. Students will be using these at school and we encourage the use of these at home to support their learning if possible. Letters will be going home with login details and if you need any assistance with these please just ask.

Friday Wheels Days: As with last year we are continuing with Wheels Day on Fridays and all we ask is that if wheels are brought that helmets also be. We have few skateboards at school that we are happy to be used anytime but we do ask that helmets are brought from home and worn.

Mighty Mokau Bike: Our Mighty Mokau Bike Ride is approaching fast. So much has been done already to get us here and there is still a lot of prep work that goes into this day so please put next weekend aside to help. We do still require for helpers for Sunday for various jobs like marshalling and in the kitchen so people can be rotated.
Baking is appreciated from all parents. It's sure to be another fun day with loads of great team work. 'Together We Can Do It!' Please call Wends or Mark 7529015 for any more information or if you can help.

Volunteer Fire Brigade: Our local volunteer fire brigade do a fantastic job and with some of its existing members ready to pass on the reins they are seeking new people who are interested in joining up. This could be a great opportunity to help out and give back to the community and most probably make a huge difference in the lives of those people you help and their families.

Piopio Swim Club Carnival : They would like to invite children/ teenages who are not swim club members to participate, they will need to be timed in a 25mtr pool to get a time for the events they wish to swim, this can be done at the Piopio pool contact Lee Alcock 0787777754 or 0211231451. Any queries you can contact Pam Stilborn ph 078778451.
