Kia Ora Everyone:

It's finally here! And all the hard work and organisation that has been happening for months will come together this weekend for our Mighty Mokau Trial Bike Ride. This is event is hugely important to our school and provides significant funding that greatly enhances the educational opportunities available to all our students. Mokau School is driven by the motto, 'Together we can do it'. And I am looking forward to seeing everyone come together to support this event and our school. If you are new to the school or this event please contact me and I will help you find out how you can assist.

Thank you to everyone who came along and helped at our Beach Education Day on Friday. It was a great day in the classroom and down at the beach. The instructors did a fantastic job teaching our students about beach safety.
