Thank you to community members who rallied around the school last week. It is comforting to know we have such a supportive community who we can call on when required.

I hope everyone enjoyed a well-deserved break over the long weekend with some quality family time. If you had a chance to walk around Mokau you may have noticed some shiny new signs warning motorists to slow down for school children. Thanks Mary-Elizabeth for campaigning to the council to get these signs erected.

Regards,
Diane Scott

Roopu Points: Another week gone and another change in Roopu points totals. Keep up the good work kids.

te reo Māori:

Merepaea and the students have been working on asking how people are feeling. Try it at home

E pēwhea ana koe?
How are you? (to 1 person)

Replies: E pai-ana ahau - I am good
E koa-ana ahau - I am happy
E hiamoe-ana ahau - I am sleepy

hiakai – hungry	pōuri – sad
pukuriri – angry	hōhā – bored
pākiki – curious	makariri – cold
mauiui – sick	ngenge – tired
whakamā – shy	wera – hot

Certificates

Duffy Reading Award – Anika for her growing reading confidence

Student of the Week – Jacob for all his hard work in all learning areas

Best Foot Forward – Emmet for being on task all week

Homework

A reminder that every student should be reading every night and have spelling words to practice. It is good to hear some students have been using Mathletics in their own time – a great way to practice the concepts introduced in the classroom. Once again we thank Home and School for funding these learning opportunities.

Senior Science Fair

Seniors should be thinking about a simple science experiment for their science fair. There are some wonderful sites to get students ideas flowing. A great homework activity could be to look at these sites.
