Today we welcome Kim Mounsey and Paul Moulder from the Education Review Office to our school. Congratulations to the students for their powhiri. With increased confidence students are taking on leadership roles and showing their skills and knowledge of tikanga. Thanks to parents for coming and supporting the students, providing a lovely morning tea and soup for lunch.

Regards,  
Diane Scott

### Certificates

Duffy Reading Award – Jacob for reading with great expression

Student of the Week – Martha for supporting other members of the class in the junior room.

Best Foot Forward – Anika for learning all her early words.

### Senior Science Fair

Most senior students are ready to charge ahead with their experiments this week. I am looking forward to seeing the results – there are some good experiments planned.

The actual experiments are the responsibility of the students themselves in their own time. Please support your children in their scientific investigations and encourage them to take photos of the process and results.

### Sir Peter Blake Dream Team visit and Award

The last week of this Term is officially 'Young Leaders Week' and we are grateful to the Sir Peter Blake Trust for allocating a Dream Team Member, Hayden Wano, to come and speak with the students. Hayden is the Chairman for TSB Community Trust and says this about his journey: "I have a passion for developing young emerging leaders to enable them to reach their full potential. I get great satisfaction from helping people to unlock self-imposed limitations and enabling them to imagine new possibilities. Underpinning this is a need for

clear goals, focus and a determination to see things through. I am particularly passionate about unlocking the potential of Maori youth." This special assembly will be on Tuesday 5<sup>th</sup> July between 9.30 and 11.00. Whareorino School may be joining us for this event and a student from each school will be presented with the prestigious Sir Peter Blake Award.

### Winterfest

Thanks to Home and School for arranging the catering for Winterfest. This day is taking shape and looks like it will be a hip-hop extravaganza.

### Museum Trip

This Friday all students will be visiting the Mokau Museum to view the Dale Copeland Assemblage Art exhibition. All parents are welcome to attend and help the students with their 'treasure hunt' worksheet. Juniors are due at the Museum at 10.30 am so will leave school at 10.15. Seniors will leave school at 11.15.

**Roopu Points:** the competition is hotting up with just 3 weeks left of term. It is still possible for any roopu to win. Points are:

Porsche	66	Toyotas	67
Mustang	73	Minis	78
