Thank you to our wonderful team of staff, parents and community volunteers who pitched in for Winterfest last Friday. The students had a blast with instructors Kayla Broughton, Niquay Langton and Tansi Productions, they danced with energy, freedom and enthusiasm – with stomps, arm shakes, shimmys and chest pops – they experimented with expression and creativity. What a great experience for our students, thanks Jackie for working so hard to secure these instructors.

With our final week of term teachers are working hard to complete reports. These will be issued on Friday. Please feel free to come and see teachers early next term if you have any concerns about your child's progress.

Regards,  
Diane Scott

Thank you Wendy for once again co-ordinating hockey this season, the players are a credit to you and I know you are immensely proud of them all. Thanks also to the parents who have provided transport over the season without your dedication Mokau students would miss out on these wonderful sporting opportunities. The secretary for King Country Hockey expressed the sentiment 'our 2016 Season has seen many of our young players develop skills, friendships and a passion for hockey that will hopefully be with them for many years. King Country Junior Hockey is about the encouragement, development and creating a positive attitude, plus an overall enjoyment for the game of hockey for children in years 0 – 8'
