Last week we welcomed another new student to the junior room. Welcome Holly we hope you enjoy your time at Mokau School.

As the end of the Term approaches Teachers are very busy completing assessments and writing reports as well as attending professional development. Last week all staff attended a session about junior reading with reading recovery guru Jasmine Milward. This week TeUra will visit another practitioner's junior room and I will be attending the New Plymouth Principal's conference for two days. These are all great opportunities to share ideas and learn from colleagues which enrich the learning we provide for our students.

Kind regards - the Mokau Team

- To Jo Wackrow for helping out around the school in so many ways.
- To Corinna for providing apples and TeUra for providing kiwifruit for our students.

HOCKEY What a great season!!

JUNIOR B was awarded the "Team Spirit award for Sportsmanship last night". Bridget has done a great job with her wee team and was given extra children from Kiokio at the start and middle of the season and managed them brilliantly!

A well-deserved award for her blended team. B's have finished as they have a bye next week.

JUNIOR A have one more game next Thursday at 4:20pm against Kiokio at Centennial Park. Go straight to Centennial Park, meeting 2:40pm. We were one point off making the top 4, therefore 5th, so well done my wee team. I'm very proud of you all and have absolutely loved coaching you.

INTERMEDIATE have one more game next week on WEDNESDAY at 3:40pm against Piopio-Aria. Practice as per usual. We have had a great season and our position on the table isn't indicative of the scores per game. We have always given the other team a good run for their money and played brilliantly with lots of fantastic team work. I am extremely proud of this team.

Good luck to those moving on and I really hope you all continue with hockey because as individuals you are beautiful players and in a team you work hard and look after each other.

Remember Bridget and I couldn't have coached without the huge help from parent helpers. THANK YOU!

Many Thanks - Wends
