First Week Back

What a great first week back. Students have adjusted to their new environment and once again thank you Ahititi for making us feel so welcome. We have experienced some lovely art experiences and two great Agricultural Days.

Agricultural Days

Thanks for the wonderful organisation for Agricultural Day, in particular Wendy & Mark Smyth, Paul & Maree Jones and Bruce & Maxine Lovell. There are so many jobs to be done in order for these days to run smoothly and this little team does a magnificent job. Thanks to Jackie for printing certificates and doing the admin tasks like printing programmes, Teachers, Teacher Aides and Jo for the great work they do creating creative learning opportunities for the students & displaying the student's work. Thanks to the Mokau staff team for cooking the BBQ at Group Day and the parents who provided morning tea for judges. Thank you also to the students for the wonderful cakes, this can't have been easy with your animals to prepare as well. You should be very proud of your efforts the cakes looked spectacular and they raised \$120.00 for school.

Thanks to the wonderful judges and stewards both at our school day and group day. If I have missed anyone out I apologise it is such a team effort, thank you all.

A big congratulations to our students for their efforts during art week and the presentation of their animals. Art display results are presented below.

Some students took their art work home - we need to have the art work to make the order so if this was you please return it with your order.** There are spare order forms at school if you require them.

Interviews. Because I was away at the end of last Term there was not the opportunity for formal Parent-Teacher interviews, if you would like to catch up with your child's teacher please phone and arrange a time.

Hockey Tournament Report

U13 King Country Rep Girls' Hockey Team: During the School Holidays Sophia and Ocean (and Tess) were part of the first ever King Country Girls' Representative Hockey Team that travelled to the Nationwide McGrath Hockey Tournament in Rotorua on October 5th-7th.

They played 5 games in 3 days and came up against provinces such as Canterbury who won the tournament last year and then again this year, however first equal with Northland this time round.

It was a wonderful experience for the 16 Girls who represented King Country. They were awarded the Sportsmanship Award of the Tournament.

Sophia and Ocean had a lot of game time and were exhausted by the end of the tournament and gave it their all in all 5 games.

It's a great feeling to represent your province, meet new friends and gain more skills for a great game!
