Welcome back to school for Term Two! It has been great to see all the kids again and hear all about what they have been up to in the holidays. We are looking forward to starting our focus on systems. We will also be investigating systems around our school and evaluating their efficiency and how we can improve them. I hope all you dad's out there haven't forgotten Mother's Day this Sunday. The kids have certainly been sharing some lovely ideas about why their mum's are special to them. Thank you to all our mum's for everything you do!

Te Kuiti Gymsports

Te Kuiti Gymsports is having sessions in preparation for the Waitomo Schools Gymsport festival to be held on Monday 9th September at Waitomo Stadium, Te Kuiti. Competition categories include a floor routine for boys and girls, beam routine for girls and a hip hop section for everyone where you can choreograph a group dance and perform at the festival. Piopio Primary won the gymnastics section and Pukenui Primary the Hip Hop section last year so let's see which school/s can take the honours this year. Sessions will start on Monday 20th May at 3.30pm and will be \$2 per child. They will need to bring a supportive adult to help with the equipment and safety of participants. Schools are welcome to prepare independently if they wish. Your kids get to learn awesome skills that could make a them better at playing sports in the future. Let's all get involved in this awesome event.
