Greetings Everyone

Welcome to week eight. This week sees us all head up to Maniaroa for a marae stay over on Thursday night. Whareorino School will join us for this awesome experience. Unfortunately there will not be a hangi – we will rain check this for next year. I would like the students to still attend their extra curricular activities this week even though we have the marae stay over.

It is field days time so let us know if your children are going to be away to attend this with you.

We have a languages day this week and next week. That will complete the terms learning of languages and culture. I wonder what next term will be bring??
