Mokau School Home and School

If any parents or community members are interested in helping out with fundraising, hospitality and events please let the office know, this committee is not currently active but it would be great to have this support group active once again.

Swimming Sports

We had a blast, the weather was great and the parents & children that came to support the children was fantastic. Congratulations Brylee for winning the 11Yr old girls trophy.

Taranaki Anniversary Weekend

What an exciting weekend with the Mokau Summer Gala on Saturday (see the poster attached). Mokau School will be selling drinks, chips and lollies at the gala tomorrow.

No school on the Monday 9th March.

Mokau Summer Gala

Thanks to those parents who have offered to help man the school stall. Please let us know Friday the 6th of March if you can help out.

Working Bee

The school is in need of a spruce up. We are hoping to have a working bee on Saturday 21st March. We need manpower, wheelbarrows, shovels, chainsaws and somewhere to dump some rubbish. The more helpers the better. If you are able to help please let the office know by the 20th of March. Many hands make light work. Last working bee was attended by 2 parents which made it very hard work for a few.

Swim Safe 20th March

This is a cluster school event which will be held at the Aquatic centre in New Plymouth. The students will be taught about safety when swimming.

Transport and permission form will be sent home and the skool loop will also be available for you to use.

Tabloid Sports @ Uruti School 27th March

We will be travelling to Uruti School to participate in the Tabloid sports. We will need parent help to transport on the day.
