Caught being good

Thomas for being an all-round good guy.

Madisyn for helping Jody.

Ivey for working all by herself making her elephant.

Luna for being so helpful when cleaning up.

Pukeiti Enviro Day

The cluster schools are joining together to spend the day at Pukeiti on the 9th of August. Further details closer to the time. We will need some support with transport.

Belinda

We have been fortunate to have Belinda Watson join the team to support her Teacher Aide training qualification. Belinda has been a great asset to us during this time. She will be doing an early childhood placement next term. We wish you well Belinda.

Start of Day

Children are able to enter the school building from 8.30am. We would appreciate caregiver cooperation around pick up and drop off times. It is important tamariki arrive to school on time in the mornings where possible.

Enviro School

The Year 7 & 8s have been travelling to Ahititi School to take part in some activities with the other Enviro schools in our cluster. They have been undertaking a design and build project. Lots of exciting learning has been happening!

Careers Expo

The school will be travelling to New Plymouth on the 23rd of August for the seniors to go to the expo and the juniors will be participating in other activities. This is a whole school trip and transport will be needed.

Speeches

We will have our school speech competition on Friday the 13th of August at 11am where we will have a rehearsal of poems and speeches. Please come and join us.

Colder Months

Please ensure that you child has suitable clothing and footwear for the colder months. A change of clothes in their bag in case of slipping over or going down the slide on a dewy morning is a great plan.

Unwell

If your child is feeling unwell or has a cough, runny nose, sore throat or is sneezing please keep them at home until they are well enough to come to school. This will stop the spread of germs.

Pataka

The pataka is proving to be a valuable asset to many in our community. It is kindly stocked up by people in the community and is now serviced by Waitara food bank weekly. If anyone needs food parcels please message Jody 0212549378. Please could you make sure that you leave the cupboard tidy. Several times there has been drink opened and left unfinished and spilt in the cupboard. Thanks Jody for your amazing support of this.

Home and School

Maree Jones is the BOT representative for the Home and School Committee. Please contact the office if you would be happy to help on this important committee.
